

Anywhere,
anytime.

Mobile Text Banking

You can now view your account balances and transaction history on the go using Text Banking on your mobile device. To request this capability, simply sign in to Banner Online Banking and follow the steps below. If you haven't yet enrolled in Banner Online Banking, visit bannerbank.com and click Register for Online Banking.

Step 1: Enroll Your Mobile Number

- Sign in to Banner Online Banking.
- Under Services, click the Text Enrollment tab.
- Toggle the Text Enrollment button from OFF to ON.
- Enter your phone/SMS number, agree to terms and save.

Welcome to Banner Bank text banking. Msg and data rates may apply. Reply HELP for help or STOP to cancel.

BAL Ckg1

Once you receive confirmation that your phone number has been enrolled, you're ready to set up short codes for each account you enable for Text Banking.

Step 2: Enable Accounts for Text Banking

- Within Online Banking, go to Settings > Account Preferences.
- Select the first account you wish to enroll in Text Banking.
- Select SMS/Text tab and toggle the Text Enrollment button from OFF to ON.
- Click the pencil icon in the SMS/Text Display Name field to add a nickname (up to 6 characters) and click the check mark to save.
- Repeat these steps for each account you wish to enroll in Text Banking.

We're here to help

- Text 'LIST' for keywords or 'HELP' to 226563 for more information.
