

# Want to manage your account on the go?

## You can with Text Banking.

If you like the ease of text messaging, you can use it to transfer funds, check account balances and view transaction history on your mobile device with Banner's Text Banking. Get started using the steps below.

### Enroll your mobile number:

1. Sign in to your Banner Online Banking at [bannerbank.com](https://bannerbank.com).
2. Click on the Services tab at left, then click Text Enrollment.
3. Toggle the Text Enrollment button from OFF to ON.
4. Enter your phone/SMS number, agree to the terms and click Save.

Once you receive a text confirming enrollment, you can set up short codes for each account you wish to enable for Text Banking.

### Enable each account separately:

1. In Online Banking, click on Settings, then Account Preferences.
2. Select the account you wish to enroll.
3. Select SMS/Text tab and toggle the Text Enrollment button from OFF to ON.
4. Click the pencil icon in the SMS/Text Display Name field to add a nickname (up to 4 characters), and click the check mark to save.
